running a school

Raising Awareness

4

- SPE ATCE ½ Day Special Sessions
 - 2019: Joint initiative: DSATS, WPTS, DETS, OGDQ
 - Automation of the Well Construction process: how far have we gone; how can we go further; is it worth it?
- 2020: WPTS Special Session to be proposed:
 - Anti-collision
 - Role of Big Data / Analytics on Survey Management
 - Use as foundation for other education/outreach efforts throughout the year

Raising Awareness

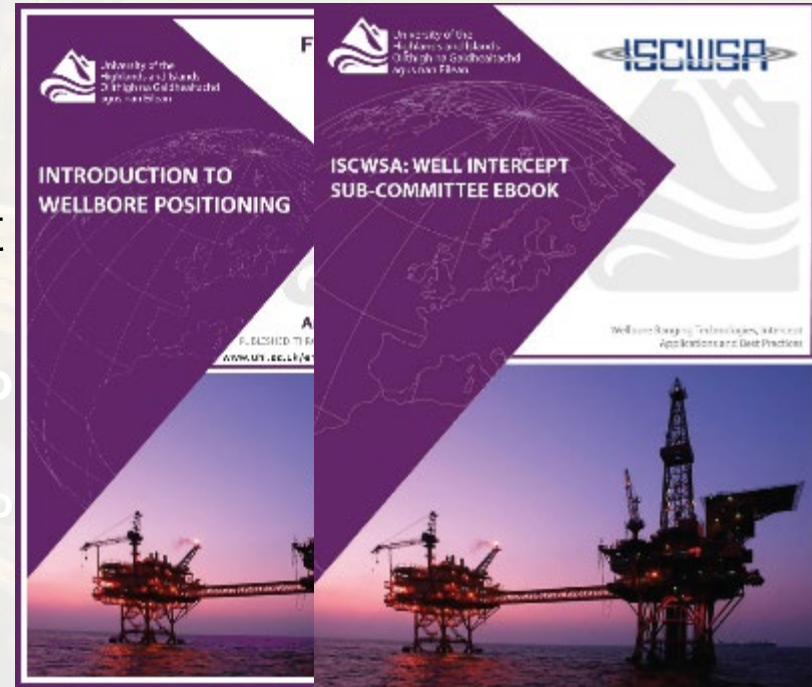

5

Outreach

- Student outreach
 - Project to determine university programs
 - “Educate the Educator”
- Drillbotics Competition (DSATS)
 - Sponsorship – Platinum Sponsorship approved (\$5k)
 - Involvement

Raising E-book Awareness

- Intro to Wellbore Positioning
 - Spanish version coming
- Wellbore Ranging Technologies, Intercept Applications, and Best Practices
 - Version 2 now available
 - Submit corrections / comments to carol@dgi.com / Roger.Goobie@bp.com / poedjono1@slb.com
